

DÔA [dow-ah] means "The Door" in Japanese and is also the entrance way to an incredible experience showcasing the unique flavors of Asian influenced cuisine born in Latin America.

Nikkei and Chifa cuisine dates back to the 19th Century, when the Japanese and Chinese, in search of a better life, discovered the riches of Latin America. In a paradise with mild climate, rich farming soil, and a wealth of fresh fish, a new food culture was created.
